

IMPLEMENTATION PLAN FOR B.Sc (HONS) DEGREE PROGRAM OF AGRICULTURAL & APPLIED ECONOMICS

AT Findings	Corrective Action	Implementation Date	Responsible Body	Resources Needed
Self-Assessment Report may be revised as per following suggestions:	<ul style="list-style-type: none"> • Revise the mission statement and objectives in light of the mission statement of the program. • Revision of table 2.2 • Mention the titles of the courses in table 2.3. • Table 4.2 needs revision. 	As soon as possible	Program Team of the Department	Nil
The number of books in the area of agriculture and applied economics is small. Also lack of national and international journals for the graduate students in relevant areas of agriculture and applied economics.	The library may have latest edition of text books, local & international journals, literature and computers with internet facility.	2016-17	Chairman/Chief Librarian	Books and Journals
The number of class rooms is insufficient, also lack of common room was also observed	Additional working space is required for class rooms and Common room	2016-17	Chairman/Director Teaching/P&D	Space and Funds needed.

The capacity of young faculty members may be enhanced through short term and long term trainings.	Training and development of the young faculty is needed.	2016-18	Chairman in consultation with Director QA (Training Coordinator)	Fund required.
Classrooms have no multimedia and are not well-equipped.	Multimedia may be installed in classrooms with better furniture and ventilation arrangements.	2016-17	Chairman	Classrooms having overhead multimedia, Sound system, whiteboard and furnished chairs etc.
The current Computer lab of the department is not sufficient to cater the needs of the B.Sc (Hons) students.	The present computer lab. facilities needs to be strengthened. A separate large computer room is strongly recommended.	2016-18	Chairman / P&D	Space Computers Internet devices
Course files of the courses offered are not at all maintained by the faculty.	The proper course files should be maintained by the faculty members. Specimen may be asked from QEC.	As soon as possible.	Enforced by Chairman monitored by Dean and QEC	Nil
